**Subject:** proposed settlement

You sold us out. You sold out the consumers of the United States. You know how I feel? I feel like I have been told to drop my trousers, bend over, and get ready to let Bill Gates stick me where the sun never shines.

And personally, I think that whoever came up with the proposed settlement should drop \*their\* pants, and may I suggest I have a place for that settlement.

Thank you for your consideration of my email.
